

AGRINEXT

Partnership for Excellence - Centres of Vocational Excellence Projects selected for funding under the ERASMUS+ 2021 call

The general aim of the AgriNext project is to create learning environment that responds to the skill demand on the job market in the field of Multifunctional Agriculture

Main objectives:

- Flexibilization of learning environments and curriculums in I-VET and C-VET, on EQF levels 3-6, in order to facilitate fast responses to job market demands
- Teacher empowerment (continuous professional and pedagogical) for a fast response to the job market demands
- To develop students/learners who are highly skilled, motivated, entrepreneurial and aware of the importance of C-VET and lifelong learning
- Promoting rural development and vitality by demonstrating and highlighting opportunities of Multifunctional Agriculture.
- Increasing digital competencies among students and teachers

Main deliverables:

- Creating a physical and virtual environment that enables: interaction between teachers, trainers, companies, students, and researchers; the individualisation of the learning process; the demonstration and try-outs of new technologies; the development of entrepreneurial activities
- Established system of continuous exchange between employers, teacher/trainers/guidance service providers, in order to respond to the skills needed
