

# Center of Vocational Excellence Match Making Map

Hard to find the right partners for your Center of Vocational Excellence?  
Not anymore! Make CoVEs happen with the Center of Vocational Excellence  
Match Making Map.

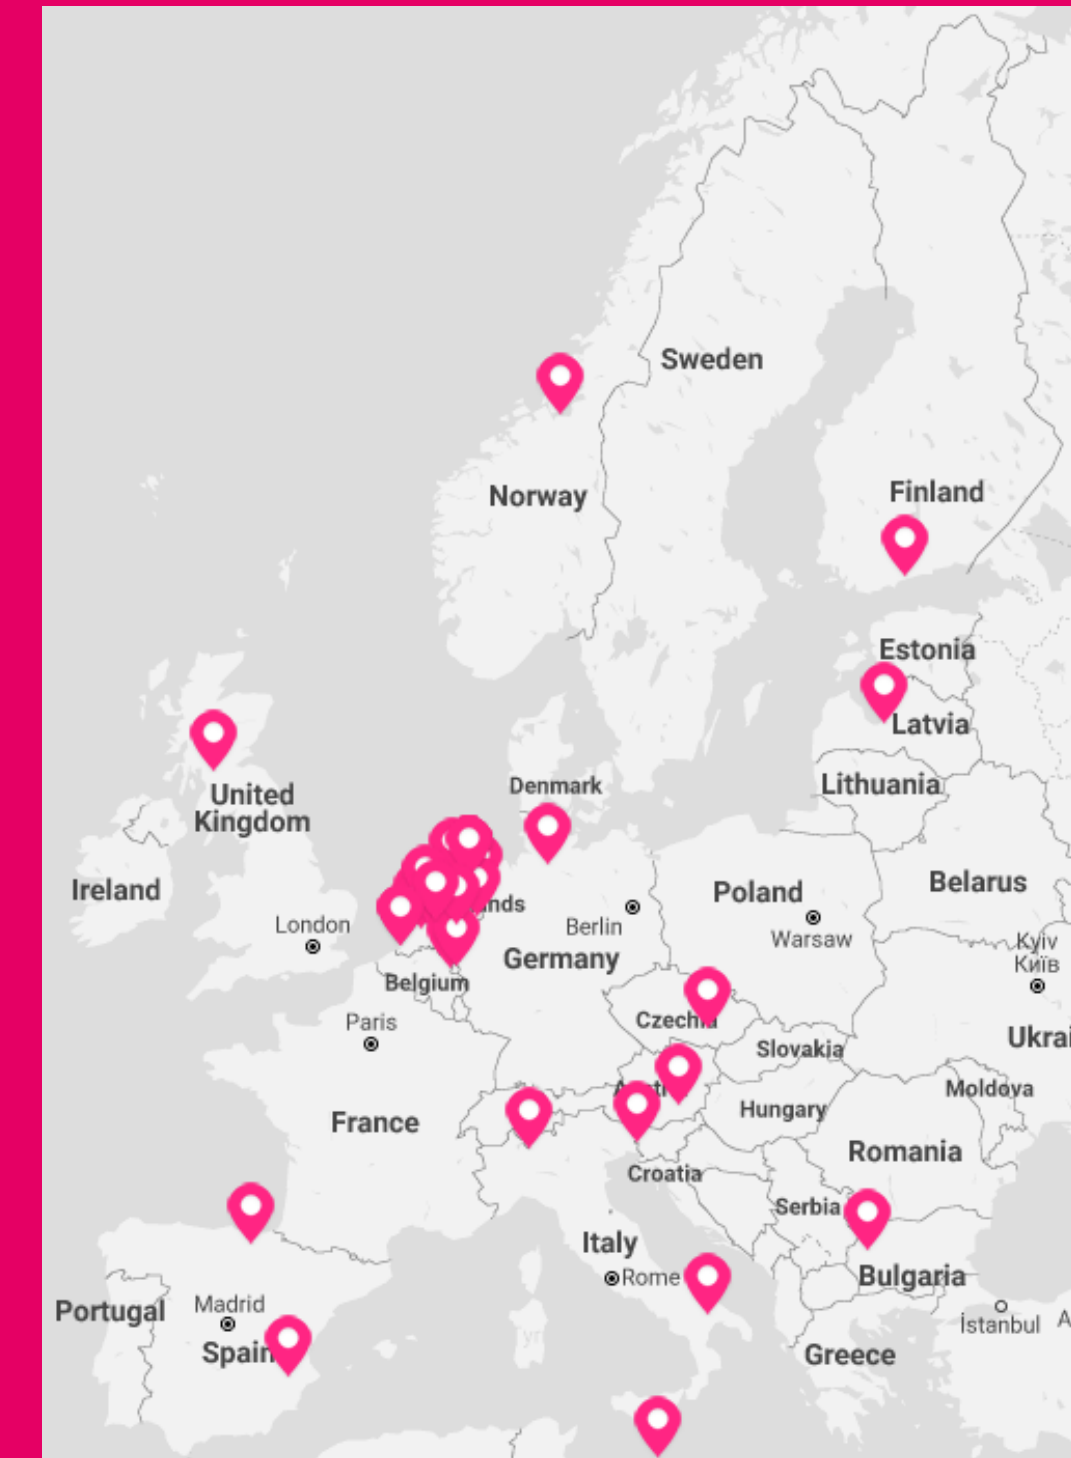

Put yourself on the map & search for potential partners.

You can find the Center of Vocational Excellence Match Making Map here.

## How does it work?

1. Put yourself on the match making map by filling out [this form](#).
2. Press the 'put me on the map button' and you will publish your information on the map, for other potential partners to find you.
3. If you are looking for partners, [please go to the map](#). By selecting the search button you can filter the potential partners on the map.

**Disclaimer:** Please note that putting your organisation on this map is completely voluntary and by doing so you accept that other organizations working on a CoVE application can reach out to you. Furthermore, this map is purely a facilitation tool for match making. It has no influence on the evaluation of your application, nor does it give any guarantees about the partners you select by using this tool.

The Match Making Map is powered by [We are Katapult](#).
