

Privacy statement

Stichting Platform Talent voor Technologie and Katapult

We are Katapult is not a legal entity, the organisation of the network is organised by the Stichting Platform Talent voor Technologie (PTvT). The privacy statement below concerns the privacy statement of PTvT, specifically made for the website and subdomains of www.wearekatapult.eu and www.wijzijkatapult.nl.

Personal data that we process

Stichting Platform Talent voor Technologie can process personal data about you, because you make use of our services, and / or because you yourself provide us with this information by filling in a contact form on the website. Platform Talent voor Technologie may process the following personal data:

- Your first and last name
- Your address
- Telephone number
- Your email address
- Data on your activities on our website
- Internet browser and device type

Why we need your data

Platform Talent voor Technologie processes personal data to be able to contact you by telephone if you request this, and/or to contact you in writing (by e-mail and/or post).

Platform Talent voor Technologie processes your personal data for the following purposes:

- Placing your data on the network map
- Sending you a newsletter, invitation or specific mailing
- To be able to call you or send you an e-mail if this is necessary for us to be able to provide our services.
- To analyse your visitor behaviour on the website in order to improve the website

How long Platform Talent voor Technologie retains data

Platform Talent voor Technologie does not retain personal data any longer than is strictly necessary to realise the goals for which the data is collected. You can delete your own data at all times on the network map (netwerk.wijzijkatapult.nl) or via the unsubscribe link in the newsletter.

Sharing of personal data with third parties

Platform Talent voor Technologie does not sell data to third parties and only provides this information if necessary for the implementation of our agreement with you or to comply with a statutory obligation. We will enter into a processing agreement with companies that process your data on our behalf, in order to ensure the same level of security and confidentiality of your data. Platform Talent voor Technologie remains responsible for this processing.

Cookies, or similar technologies, that we use

Platform Talent voor Technologie only uses technical, functional and analytical cookies. A cookie is a small text file that is stored on your computer, tablet or smartphone when you first visit this website. The cookies we use do not or barely infringe on your privacy. They ensure that the website works properly, and enable us to monitor visitor's behaviour on our website and that we can optimise the website on this basis.

When you first visited our website, we informed you about these cookies and asked you for your permission to place them. You can disable cookies by configuring your internet browser so that it does not store any more cookies. In addition, you can delete all information previously stored using your browser settings. For an explanation, see: <https://veiliginternetten.nl/themes/situatie/cookies-wat-zijn-het-en-watdoe-ik-ermee/>

Mapping website visits

On the website of Platform Talent voor Technologie, general visit data is recorded, including the IP address of your computer, the time of request and data that your browser sends. This information is used for analysis of visit and click behaviour on the website. Platform Talent voor Technologie uses this information to improve the functioning of the website. This data is anonymised as much as possible and will not be provided to third parties.

Google Analytics

Platform Talent voor Technologie uses Google Analytics to track how users use the website. Based on this information: number of visitors, demographics (country, language and location), systems used (browser, operating system, service provider) and browsing behaviour on the website, we create reports to justify the use of communication tools.

Google uses this information to track how our website is used, to provide us with reports on the website and to provide its advertisers with information on the effectiveness of their campaigns. Google may provide this information to third parties if Google is legally obliged to do so, or insofar as these third parties process the information on Google's behalf. We have no influence on this. Platform Talent voor Technologie has not given Google permission to use Analytics information obtained through Google for other Google services. Please read the privacy policy of Google for more information.

Viewing, amending or deleting data

You have the right to inspect, correct or remove your personal data. In addition, you have the right to withdraw your permission for data processing or to object to the processing of your personal data by Platform Talent voor Technologie and you have the right to data portability. This means that you can request us to send the personal data we hold about you in a computer file to you or another organisation named by you. You can send a request for inspection, correction, deletion, data transfer of your personal data or a request to withdraw your permission or to object to the processing of your personal data to info@wijzijnkatapult.nl.

How we protect personal data

Platform Talent voor Technologie takes the protection of your data seriously and takes appropriate measures to prevent abuse, loss, unauthorised access, unwanted disclosure and unauthorised changes. Platform Talent voor Technologie uses a reliable SSL certificate to ensure that your

personal data does not fall into the wrong hands. All data retrieved by us is stored on secure servers.
If you have the impression that your data

If you have the impression that your data is not secure or there are indications of abuse, please contact us via info@wijzijkatapult.nl, www.wijzijkatapult.nl, www.wearekatapult.eu and its subdomains are a website of the Stichting Platform Talent voor Technologie. We can be reached as follows:
